SUMMARY

Enthusiastic and dedicated Computer Engineering student with a strong passion for full-stack .NET development. Recently completed an intensive 120-hour training program at the Information Technology Institute (ITI) in Web Development using .NET. Hands-on experience with C#, ASP.NET MVC, Entity Framework, and SQL Server, with a strong focus on clean, maintainable code. Currently a trainee at DEPI (Digital Egypt Pioneers Initiative) focused on building in-demand technical, English, and professional skills to support Egypt's digital transformation. Detail-oriented, problem solver, fast learner, fluent in English, and highly motivated to contribute to real-world projects while continuously expanding technical expertise.

EDUCATION

Bachelor of Computers and Information (Computer Science)

Assiut University – Faculty of Computers and Information

📅 2024 - 2027

GPA

3.88 / 4.0

EXPERIENCE

Trainee

Trainee – Web Development using .NET

Information Technology Institute (ITI) – Sohag Branch

June 2025 – July 2025

- Completed a **120-hour intensive summer training program** using a **Code-First approach**
- Covered core technologies: **C#, SQL Server, Entity Framework, ASP.NET MVC**
- Successfully passed the **English Placement Test** and received an official ITI certificate

DEPI Trainee – Full stack .Net Developer

Digital Egypt Pioneers Initiative (DEPI) – MCIT

2026 – Present

- Currently enrolled in a national training initiative launched by the **Ministry of Communications and Information Technology (MCIT)**
- Receiving advanced training in **in-demand technical skills**, along with **English language and professional (soft) skills**
- Preparing for real-world software development roles aligned with Egypt's digital transformation goals

SKILLS

Technical Skills : client side

HTML, CSS, JS and Bootstrap.

server side

C#, OOP, Data structure, SQL Server, LINQ, EntityFramework, MVC and Web API.

computer science

OOP, Data Structure,

development & control operations

GIT, GitHub and agile approach.

SKILLS

Soft skills:

problem solving & Analytical Thinking, team working, fast learner, Communication Skills.

PROJECTS

NurseIQ – Full-Stack Online Learning Platform

June 23, 2025 – Present

- Complete educational platform designed for nursing students
- Features: courses, quizzes, progress tracking, dynamic placement tests
- User authentication, admin panel, responsive design
- Built using: ASP.NET MVC, Entity Framework, SQL Server, Bootstrap, HTML, CSS, jQuery
- GitHub: https://github.com/AmrMostafa-05/Nurse_IQ

EXTRACURRICULAR ACTIVITIES

Volunteer mentor

i was mentor at the 2nd edition of the winter programming training program (in collaboration with the Faculty of Computers and Information Student Union).

Mentored beginners in C++ fundamentals (up to Functions), problem-solving using ICPC Assiut sheets, and teamwork. Supported weekly contests, quizzes, tests, and a final project; helped filter and track progress for 160 out of 250 accepted students (from 500 applicants).
